Presidents Report

It has been a disappointing start to the 2010 season for our Senior Footballers and B grade netballers. I am hoping that with a bit of self-belief in themselves and their teammates the boys and girls will come away with their first win for the season today.

Welcome to the following today:

- President of Olinda Ferny Creek, Peter Hayne and his team of players and supporters. Welcome back to Divvy One.
- Our six little mascots who will run onto the ground with our U18, Reserves and Senior team today. The report from our last home game is that the kids thoroughly enjoyed the day with our senior players. Once again welcome to them and their families.
- Our Auskick kids who will be playing a game during the senior half time. I encourage all supporters to take the time to watch these little fellas' as we could be watching a budding AFL star in the future out there!!

I would also like to congratulate Ginger Non-Stop and Gregory Farkin on their wedding that will be held tonight at the clubrooms. May you both have an enjoyable wedding tonight and a life full of love and joy.

Finally I wish all six teams, coaches and officials the best of luck today. Come on guys – let's make this round ours and not give our critics anything negative to say about us next week!!!

GO BLOODS!!!!

Football Reports

FRANK LESIPUTTY – SENIORS

No matter how you look at it a 20 goal loss is unacceptable and embarrassing, in the 2nd half we failed or refused to put pressure on opposition and put in a weak and feeble effort, apart from a few, most players didn't perform adequately at this level of football. What positives we did have is that when we commit to the game plan of playing man on man football we showed we can match it with the top side. The first half we played with real passion and spirit. The backline was great under extreme pressure all day (49 scoring shots) our forwards presented well, (Gordon 5 goals, Selkrig 4 goals) and put opposition backs under pressure, we just couldn't win the footy enough at stoppages, we did on a few occasions (Brad Wilkinson) but couldn't sustain this and were soundly beaten at ground level. If we have any pride in ourselves and our performances we must come out this week and accept nothing but a win. We need to beat Olinda one on one everywhere and be relentless in our attack on both the footy and the body. Positions are up for grabs this week, I will play players who are desperate to perform at their best and not accept defeat.

FELIX FRARACCIO & DAVID NUGENT - RESERVES REPORT

After 4 rounds, Dave Nugent and I are enjoying the challenge of coaching the 2's with our job to promote players into our senior side. Over the past couple of weeks, Chance Burrridge, Cam Arnott & Mitch Hay have been promoted and are holding their place in the senior side. We like to welcome to the club, Canada's heart throb, Justin Beiber (Rhys McKean) known for obvious reasons and Gizzy Mills, past Under 18's player. As I was not able to attend the last week's game, I was pleased to hear how the team put in a good effort against last year's premiers. With Ash Hamer kicking 6 goals plus a BOG performance and if he can maintain this form, a recall to the senior side is not far away. If we continue to train hard, we are going to be a hard side to beat.

KEEP UP THE GOOD WORK

THOMAS CHANDLER - UNDER 18's

Round 3 v Woori Yallock - Having had a bye in round 2 you could see the guys were just keen to get out and play some footy. We started pretty well and went in to half time just over 7 goals in front. After half time we relaxed a bit and didn't maintain our intensity at the contest, but to the guys credit in the last quarter we got back to playing some of the footy we know we are able to play with a 5 goal to nil last quarter and coming away with a pretty comfortable win. The guys are now starting to get used to the way one another play and it is coming out in a good team performance. Round 4 vs. Upwey-Tecoma - We had a very good team in and our expectation was to give a really good account of ourselves. Our first quarter was pretty good in general play, but we wasted some opportunities in front of goal which would have had a bit more scoreboard pressure on. Still in front at half time but we dropped our intensity a bit and as a consequence Upwey were able to peg back a bit of our lead. The third quarter was a bit of a carbon copy of the second, and if anything we had let Upwey take the momentum of the game and we were going to have to work really hard to get that back. It took a long time in the last quarter to get the momentum of the game back in our favour but they stuck at it and made this happen and some of the guys who had gone quiet in the middle part of the game started to get some possessions again and it took until the last 3 or 4 minutes for us to kick the last 4 goals of the game to come away with a win. Our next game is a huge challenge against Olinda, but one I am sure we are well and truly up to if we prepare well and have the right mindset and work ethic for the entire game.

Netball Reports

KATHY BROWN – A GRADE

Round 3 v Woori - Kylie was welcomed back with open arms after missing round 2 and showed how valuable she is by scoring a massive 51 goals in a stronger than expected battle against Woori. Louise has had a great start to the season. Her 17 goals scored was not an indication of the strong game she played using her vision and experience to help feed the ball beautifully into Kylie. A very solid performance by all players saw us win 68-44.

Round 4 v Upwey - This week will separate the boys from the men' our trusty captain said. With big expectations on this match the intensity and physicality of the game did not disappoint. Being 4 up at quarter time was pleasing but Upwey were able to level the game in the 2nd quarter and the rest of the game followed suit with the lead see-sawing. In the final minute of the game Upwey goaled to level the score and the siren sounded too soon for us to respond on the score board. The final score was 44 all. 2 points are better than none but bring on round 13-this will be a contest to watch! Bianca cemented the GD bib as hers giving an undisputable best on court effort!

BIANCA FEATHERSTONE – B GRADE

Unfortunately the B-Grade girls are yet to post their first win for season 2010. They had their best game of the season against Woori Yallock in round 3, putting together some great netball and working well as a team. They just couldn't hold it together for the whole four quarters and went down by only 10. It was a great effort across the court with all 10 girls doing their part.

Last week we came up against Upwey, this was always going to be a tough ask as they're one of the front runners in the B-Grade section this year. Throughout the game we had plenty of the ball and forced Upwey into a number of turnovers especially during the second and third quarters but we were unable to capitalise and convert it on the scoreboard. The end result sadly didn't reflect the efforts put in by all on the court and the score should have been a lot closer than what it was.

KATHY BROWN – C GRADE

Round 3 vs. Woori Yallock - The hit out against Woori was a great opportunity for the girls to have a good run. Coming off two close wins the winning margin of 14 was enjoyed by everyone. With a big improvement on our ball movement through the centre and Louise, again holding strong in GK, with the help of Chels, Kate, Beck and Moo in defense, we were able to score a high 27 goals. Jess was awarded best on. She shot wonderfully and just seemed to keep attracting the ball. Rosie and Michelle also showed their strength in our attack ring and were fed well by speedy Emma and Lucy. The final score was 27-13.

Round 4 vs. Upwey - Well it had to happen at some time...C Grade had a loss. Coming up against Upwey Lucy's girls didn't know what to expect but Upwey came out firing and just kept firing. A 9-22 loss was a lesson to our C's. Kate and Louise were dominant in defense but Upwey's pressure down court saw us turn the ball over on a number of occasions. Kate's many intercepts and ability to take on advice and use it on court won her this week's award.
