## Round 10

### Presidents Report

Firstly I would like to welcome the following to the HFNC ground today:

- President, players and supporters of the Yarra Glen Football and Netball Club and
- Our mascots and their families from the Healesville Junior Football Club

Well half way through the season already. Gee how time flies. We don't have any excuses anymore Bloods. We have

played everyone now and it's time to get serious. As one of our dedicated supporters stated recently "Come on BLOODS!!! We are on our knees and YG are about to deliver the knockout punch, we got to find something – we got to climb out of the shit and get back on our feet – we have to BELIEVE!!! The stakes are high Bloods – don't die wondering!!!" We have been in this situation at the Club before and we have fought our way back to playing in the finals come August. Stay strong Bloods!! Be Dedicated!! Be Committed!! Put your body on the line for your mates!! Make the second half of the season ours!! We've knocked off the top few teams already – let's win those games back that we lost in the first half of the season.

*Baz Snr hits the turf hard and proves that old blokes can still take the knocks!!*

It was great to see some of our old past players pulling on the red and white last Saturday. Thank you to Eugene Henning, Baz Goding and Leigh Dryden for playing in the twos last week so that we could field a team. Now there is dedication for you boys!! There is the perfect example of how proud those three are of wearing the Bloods jumper!!

Reminder that our next upcoming function is the Mid-year(Roaring 20's) ball next week. . See Janelle Merrett for tickets and start getting your costumes together.

Remember to drive safely out there over the next couple of months. GO BLOODS!!!

..... Kym

## Through the eyes of the coach

### Seniors

#### Round 9 vs Wandin

speechless

*"Hard work is always rewarded"*

Cheers Frank

### Reserves

*Drydo, Baz Snr and Eugene definitely press for senior selection!*

### U18s

#### Round 8 vs Upwey

In this game we started as if we were a bit overawed by either the opposition or by the fact we were playing for top spot. We were being led to the ball and were basically playing reactive footy. By this time Upwey had 4 goals on the board and we were trying to make up ground from then on. Towards the end of the first quarter though, we had done quite well in a few contested situations and realized we could match it with the opposition. We started to work out the style of play that Upwey run with and were able to put them under a bit of pressure.

From quarter time onwards, in general play, it was a pretty even affair, where there was great contested footy, and we had a willingness to work hard for one another. We still need to work on playing the same style of play against the top sides as we do when we play the teams a bit lower on the ladder, and be confident in our ability as a team.

This game saw some players play in a few different positions and perform well, which will be good food for thought as the season progresses. We play Wandin this week and it is imperative that we finish the first round with a really good performance, playing our brand of footy.

Goal kickers, L Rowe 2, J Crowther 1, L Wright 1, M Davern 1.

Better players, J Crowther, K Milgate, E Scanlon, L Wright, G Doyle, A Turner.

#### U18s Round 9 vs Wandin

Last week we came up against a side that have plenty of numbers, but had been a bit inconsistent in the first half of the year. Although we have a few players still out with injury etc, we are still putting a good team out on the ground on game day, who are more often than not still getting the job done.

The first quarter was quite even and Wandin had a good target going into the forward line who was a bit of a headache for us throughout the game. The challenge for us was to keep the ball from getting down there with plenty of pressure in our forward line and through the midfield.

There was a bit of a wind advantage to one end for nearly the entire game and the quarter by quarter score lines indicated this, but the difference between the two sides was we were able to match Wandin's score in each of the quarter's that they had this advantage.

Each of the guys are getting plenty of game time and as a consequence the development of the players is really coming on. Again this week there was a really even performance across the board and we will need to maintain this as we now start to play some sides who are in a similar position as us ladder wise.

Goal kickers, M Davern 4, L Wright 4, D Amnderson 2, J Ison Johnson 1, J Gerritzen 1, E Scanlon 1, A Turner 1, K Milgate 1.

Better players, E Scanlon, K Milgate, L Wright, S Donkin, J Ison Johnson, D Anderson.

## the Skirt Rules!

After 2 rounds with no wins between the 3 teams we had better come out fighting today! Last week we came up against Wandin whose 3 teams are all sitting high on each of the 3 ladders.

### A Grade

A Grade had a slow start and played catch up all game. Mostly down by 5 throughout the match we got the margin back to 2 late in the 3rd quarter and it felt as though we may be able to get on top of Wandin but they stormed home. The score at the final siren being 40-48 Wandins way.

### B Grade

B Grade went down to Wandin as well, 32-47. In coming weeks I suspect B grade to have some good wins as long as they work hard, keep their heads up and work as a team.

### C Grade

C Grade had a dissapointing loss to Wandin, 13-36. Although there were some great passages of Healsville netball Wandin were too strong.

This week our C's get a game against Yarra Glen. It is great for Yarra Glen and for the league that they have been able to put together a third team which earlier in the season they couldn't manage.

3 good wins today girls. Its time we all got that winning feeling back! GO BLOODS!!

On behalf of all the netballers I'd like to thank all those involved in getting our temporary lights finally up. It will make a big difference to our trainings! Thanks!

*Kathy Brown*

# super Connell

**From over  
the fence..**  
anonymous  
punters gossip

*Ya gotta luv this!!  
Match talent like  
this with the return  
of some old blokes  
abd we're on fire!*

Last week  
Chelsea Connell  
played netball  
for B grade, filled  
in as emergency  
for C grade  
and then in the  
afternoon went  
and had a game  
of footy with the  
Healesvilles Girls  
team.
