Presidents Report

Healesville vs Upwey Tecoma

Firstly I would like to welcome the President, players and supporters of the Upwey Football and Netball Club to the HFNC ground today:

Well our last newsletter for the season!!!

And what a year it has been. I would like to take this opportunity to thank everyone who spends tireless hours helping out around our club. There are too many volunteers to mention here so collectively I would like to thank you. You are what keeps this club running smoothly and week in and week out all your efforts are not unnoticed. So once again THANK YOU!!!

I am very excited to inform members that Healesville will be hosting a number of finals this year. The finals are as follows:

Saturday 3rd September – Divvie 1 – Elimination Final

Sunday 18th September – Divvie 1 – Preliminary Final

Saturday 24th September – DIVVIE 1 – GRAND FINAL

We will need as much help as possible over the final series so if you can help in anyway please see myself or Felix. Best of luck to the U18 boys and A grade netballers that will play off in the finals series too!!! Go get them BLOODS.

Please keep Saturday 10th September free for vote count night – starting at 6pm with dinner and music afterwards. We are also having a function next Saturday after the Wandin game. We have hired a live band and will be providing a light supper at the club rooms. Function starts at 7pm and the cost is \$10 per head.

Remember to keep Friday 14th October free for Presentation night to be held at Yarra Glen Racecourse. \$100 per adult ticket and \$65 per U18 tickets. This price includes 3 course meal, beer and wine (over 18) and soft drink (U18) and transport to and from the venue. For tickets and table allocation see me soon!!!

Remember to drive safely.
GO BLOODS!!! Kym

Match Reports

Seniors & Reserves

Both sides are looking forward to next season!

U18s

Round 16 vs Woori Yallock

Always make sure you give your next opponent the respect they are due and treat every situation or game or whatever with the same preparation and intensity that you should. This is the message we really need to listen to and put into practice after the result of this and a couple of other games we have been in so far this year. Sometimes we get a little ahead of ourselves and to a certain extent just go through the motions, and this game and its result shows that we must be on our game at this time of year because all sides either want to finish the season well or put themselves in the best possible position leading into the finals.

Inaccurate kicking for goal has been a bit of a concern for a while and this week was no different as we had the same amount of scoring shots as Woori, but they took their chances and we didn't, and as a result we came away with a loss from this game, but the good thing is the guys recognize and understand where we need to get better as a team and are prepared to and will need to work on these areas.

If particular players are out of the team for one reason or another, we need to look upon this as an opportunity to step up and cover the void rather than look at the negative. We had some players do this and the rest of the guys will need to take a leaf out of their book with only 2 games of the regular season left and the intensity of finals games going up a level will necessitate this.

Final score Woori, 10.5 to Healesville 5.10

Goal kickers, J Gerritzen 2, L Rowe 2, J Chandler.

Better players J Nugent, R Voges, B Clark, P Connell, K Milgate, J Gerritzen

Round 15 vs Monbulk

After having a good win against Olinda the previous week to consolidate second spot it was imperative that we band together to maintain our advantage by giving a good display in this game. On the Friday night prior to this game we played a combined match with our under 16's team against a Canadian under 19 team. The last time the Canadians were out here was about three years ago and that game was a bit of a one sided affair, but they had improved quite a bit and gave us a really competitive hit out. Taking this into account, the result and effort the guys put into the Monbulk game was probably better than it would appear.

We were a bit slow out of the blocks and up until half time the game was a bit of an arm wrestle, although if we had kicked straight it could have been a different story. The intensity of the game was really good and challenged our guys to continue to push until the game opened up around about half way through the third quarter. Our pressure and willingness to chase and harass started to take a toll on Monbulk and we were able to come away with a good win.

At one point our score was 7.19, which was a bit of a concern, but the guys knuckled down and finished the game off by kicking a pretty accurate 6.1 to come away with a pretty comfortable win. We had 10 goal kickers in this game which is great to as it shows the guys are sharing the load quite well.

With three games to go in the home and away season, the guys are working hard on improving their games both individually and as a team and endeavouring to take their game up a level. Keep challenging yourselves guys.

Goal kickers, B Bickley 2, P Connell 2, B Clark 2, J Chandler 1, A Turner 1, T Swoboda 1, J Ison Johnson 1, C McKeefry 1, J Gerritzen 1, L Rowe 1. Better players, M Davern, J Gerritzen, D Bickley, K Jones, J Young, P Connell.

the Skirt Rules!

Netball Reports

Round 16 vs Woori Yallock

A Grade beat Woori 63-24 in a good performance showing that we're starting to play together as a team and work hard for the ball at the right end of the season and sit 4th on the ladder.

B Grade had a great win against Woori demonstrating some fantastic ball movement down court and great passages of play. Clearly enjoying their netball our B's pulled together for a 55-22 final score line.

C Grade controlled Woori from the first whistle in a convincing 28-7 win. They now sit in 5th position on the ladder and hope they can hang on to a finals spot with two rounds to go. Over the passed 5 weeks our C's have put together some great performances hopefully they can hang in there.

Round 15 vs Monbulk

A Grade finally had a good start to a game and were in front at the first break for a change. We controlled the game and put together a pleasing four quarter performance in the wet, winning 57-50.

B Grade. Although being beaten, B Grade were still able to put together a good performance and score a pleasing 30 goals in a 47-30 loss against Monbulk. B Grade

the
Canadians
return!

unfortunately will not play finals this year currently sitting 7th on the ladder.

C Grade had a bye and instead we put on a Netball Clinic for the Healesville Juniors. Thanks to Chels, Kayla, Elisha, Bec M and Lucy for their help and particularly Brooke for doing the organising. Also to Emily for cooking the sausages and to Pete for setting up the BBQ and marquee. An extra special mention to Emily for all the behind the scenes work she does as team manager to our three teams, she keeps our netball going-Thanks.

Don't miss this one!
